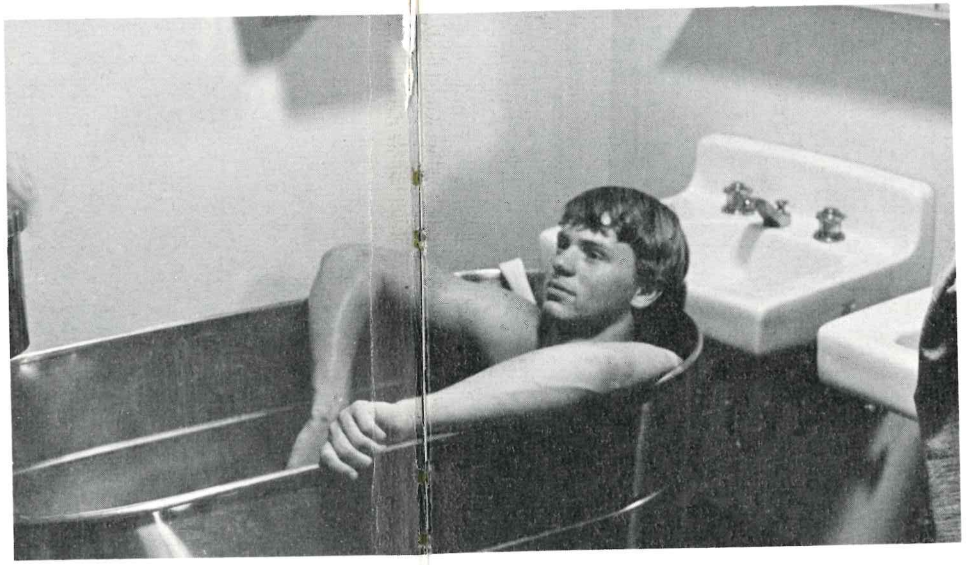
There's Sunshine in a Smile



Life is a mixture
of sunshine and rain,
Laughter and pleasure,
Teardrops and pain.
All days can't be bright,
but it's certainly true,
There was never a cloud
the sun didn't shine through—

So just keep
on smiling
what ever
betide you,
Secure in
the knowledge
God is always
beside you.

And you'll find
when you smile
your day will
be brighter
And all of
your burdens
will seem so
much lighter

For each time you smile
you will find it is true
Somebody, Somewhere
will smile back at you,
And nothing on earth
can make life more worthwhile
Than the sunshine and warmth
of a beautiful smile.

The title "Being One of the Freshmen Has Its Ups and Downs" is very correct. Freshmen's "Downs" started this year on September 19th when the Freshman class was auctioned off as slaves of the upper classmen. On September 20th the slaves were required to dress up in original apparel. They were then made up with make-up and made to stand around the flag pole while they were sprayed with water. At the end of initiation day the Freshmen walked to the "J", and repainted it. One of the "Ups" of the Freshmen started when they made a Grandfather clock and raffled it off. The Freshman class worked very hard on the clock and when they got through they had a beautiful clock to show for their work.

COACHING
STAFF

The game is played on weekends, but the real game begins on Monday with coaches instructing, directing, cussing, and discussing. They practice with hopes of perfecting. It takes hard work to make it work and guts to put it all together. All of this is combined with hope and luck that we will score on Saturday.

FOOTBALL 73. In the fall of the year a young man's fancies turn to. . . . football. The season begins full of hope and enthusiasm which grows or wanes dependent upon how fate and hard work treats him. This year hope and hard work payed off in our first encounter with a tough Valley Union team with a big win. From there, heartbreak followed heartbreak as hope dwindled and hard work remained. Enthusiasm and determination was centered around each weeks game followed by disappointment. Much like the girl of his dreams to a young man football can swell his heart or break it apart. The season was a succession of hard fought contests to come home on the short end. Our feeling is only admiration for the team that in spite of disappointment continued with a determination to win. To this team and coaches we salute.

The Volleyball Season was very successful this year. The team had an average of 9 wins and 3 losses. The girls received a trophy for winning all their conference games. Their coach, Mr. Miller, worked them very hard and was pleased with the results. The team hopes to do even better next year and take first place in the tournament. The tournament was held in Salome this year and hopefully next year it will be held in Joseph City. The high-point woman was Sally Morris.

J.C.H.S. Band Has a Successful Year!

Throughout the year, the Joseph City High School Band has once again brought to our community music of all types. The band has stayed busy this year in many activities and performances. Staying up with sports- The Pep Band played for football and basketball games. The enthusiasm that the band aroused in the crowd was great and promoted our athletes to play their best. The school board allowed the band to represent Joseph City at the "State Fair" held in Phoenix. The band performed outside and were complimented by many oncomers. The band also stayed busy as a concert band, with a Christmas Music Program Dec. 2, and concerts Nov. 15, Feb. 28, and May 18. The band set another mood in gym with some patriotic songs for the "Veteran's Program".

"Pick Up Your Feet! Stay In Line! MARCH!!", could also be heard throughout the year as the band spent several band class periods out in the cold weather practicing for parades. The parades attended by the band were Winslow Christmas Parade Nov. 18, Holbrook Christmas Parade Dec. 2, and The Founders Day Parade-here in Joseph City- March 24.

Our school was commended many times on the fine performances the band gave during the year. The success of our band has surely come from hard and tiresome band practices, but it all seems worth its trouble when "Band Festival Time" arrives. This year the Large Group Music Festival was held in Holbrook on March 9. Each year bands all over the state come together and perform songs in front of a judge. The judge then considers many different qualities of each band and grades accordingly, with "1"- Superior; "2"- Excellent; "3"- Average; and "4"- Below Average. After much hard work on the songs the band performed, they received a "1" rating! This was quite an accomplishment for our school band. It takes alot of work and alot of effort, which the band has proven to have held this year. The backing the band did receive from the school board did help immensely, too! With brand new uniforms our band looked just as sharp as they sounded. Our band was invited up to Keems Canyon to perform and show the ability of a little school. The band consist of forty-three members and our director, Mr. Linden. This has been Mr. Linden's first year at Joseph City and he has truly proven his talent. He is to be commended on his efforts, ability and PATIENCE that he has shown to the band.

On Feb. 10 the District Solo Ensemble Music Festival was held in St. John. Those who participated from Joseph City High School rated high. Margaret Larsen, on the violin rated "1" and Brannick Larsen, on the trombone rated "2". Margaret continued to "All-State" where she performed in a band made up of band members from all over the state.

The band officers for this year were Brenda Miller, Pres.; Nathan Shelley, Vice-Pres.; Nancy Johnson, Sec.; Lee Randall, Librarian and Cynthia Fish, Student Conductor.

This year has been one of the most busiest years Joseph City High School Band has ever seen. With so many performances it would seem that there would not be enough time for the band to learn the music, but they did and what a wonderful job!! The Joseph City High School Band did have a Successful Year!

The Christmas Ball As . . .

FROSTY -the snowman- poses for a picture (center of page) at the "1972" Christmas Ball. All who attended December 23 had an enjoyable time. The theme this year "The Winter Wonderland" gave the dance a hidden highlight.

This year the dance lasted from 8:00 P.M. till 12:00 P.M. A floor show was presented with Lynette Fish, Bill Morris, Dorinda Baldry, Doran Shelley, Nettie Yarrison, Blaine Randall, Sharon Randall, Monroe Shelley, Deanne Morris, John Wolfe, Donna Baldry and Ronnie Morris dancing to the music "Winter Wonderland". Patty Thompson, Barbara Sorgen, Renita Foree, Eldona Shelley, Gaylene Marble and Kim Shelley sang the song as Mrs. Law accompanied on piano. The floor show was the first of it's kind to be presented at Joseph City High School. It was fully enjoyed!

Music was played by "Rainbow". Everyone was well pleased with the Band's performance. The decorations were well arranged by the Student Council. Snowflakes were hung from the ceiling and walls. The blue lighting made the glitter on the snowflakes very sparkly. Tables were dressed with shiney aluminum foil and candles. Christmas trees also added to the mood of the dance. To top off the dance, refreshments consisting of punch and donuts made the whole night worthwhile.

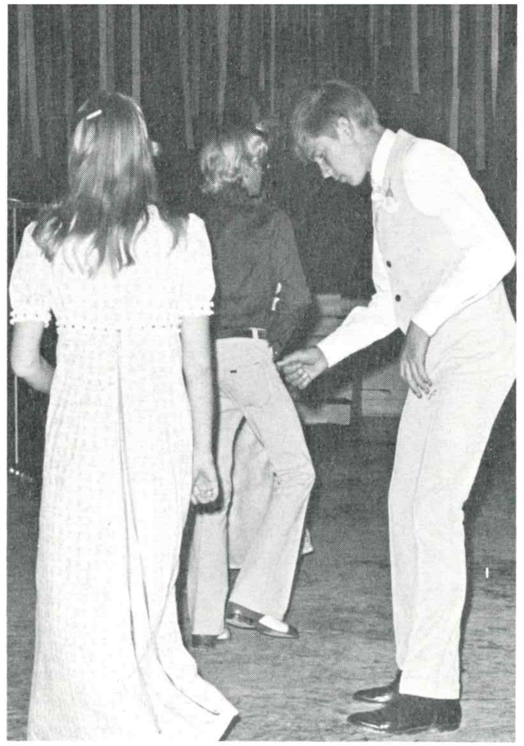
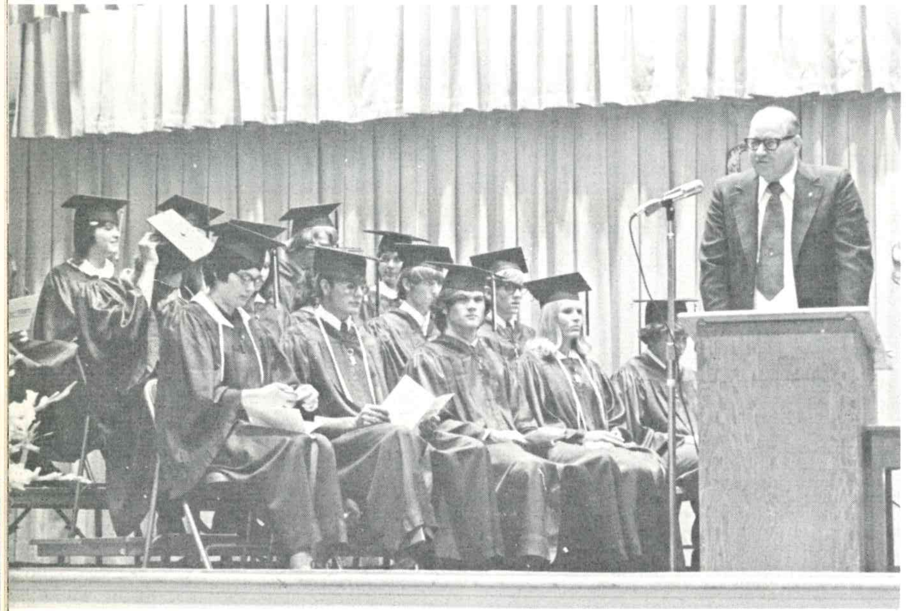
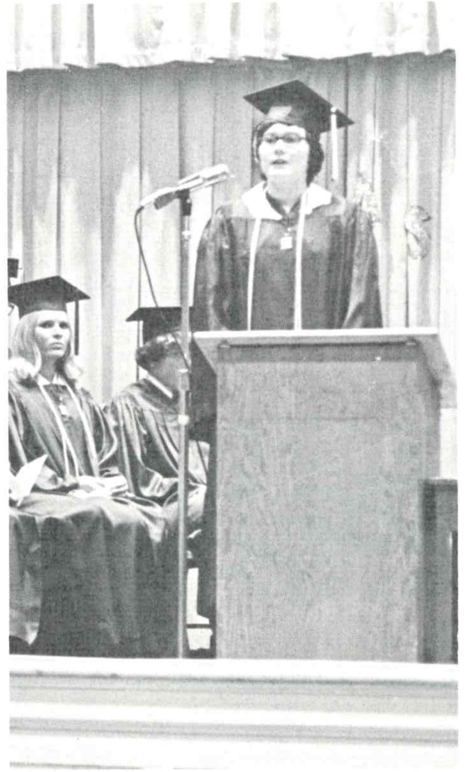
RIGHT CENTER (TOP PICTURE) Even the FACULTY could grin and bear the seniors THAT NIGHT!!



The J.C.H.S. Junior Class presented a fantastic Junior-Senior Prom. Patty Thompson is to be commended on the fabulous job she did on organizing the decorations. Fish were scattered over the gym and scented sea shells on the tables all made the mood more realistic. Acting as Mistress of Ceremonies, Nancy Miller did a fine job the night of the prom. The prom was May 5, 1973; admission was $3.50 per couple. The band, Jay Cox Mountain Band, played good music from 8:00-12:00. Everyone who came had to admit the evening was a "BIG SUCCESS!"

Joseph City Holds Second Senior Graduation May 22, 1973





The Joseph City 1973 Senior Class Commencement Exercises were held on the twenty-second day of May, at 8:00 p. m.

The Processional played by the band accompanied the senior class as they walked to their seats. Invocation was given by Bishop Jay N. Miller. Everyone remained standing as the band also played the National Anthem. The senior class of "73" requested Mr. Daniel M. Inman to speak at the graduation. At the present, he is a Holbrook School Administrator. Next, the J. C. H. S. Band played "Man of La Mancha". Michael A. Sharp gave his Salutatorian Address followed by the Girl's Sextet featuring all of the girls in the high school chorus. They sang "Lonely Faces". The Valedictorian Address was given by Margaret Larsen. Presentation of Class by Mr. B. G. Bennett brought the class to their feet as the Presentation of Diplomas was done by Mr. P. L. Baldwin. The audience joined in with the newly graduated class of "73" to sing the "Alma Mater". The Benediction was given by Scott W. Biggs. The Band also played the Recessional as the graduate class took their places in the back of the gymnasium to make the reception line.

Joseph City High School "Alma Mater"

With praise and honor true, as students now we stand.
We're building for the future years the men who'll guide our land.
We loyal youth will stand and honor bring our school
We'll not retreat tho' life be hard and justice may be cruel.
Our acts will show our worth and knowledge make us great
Though riches may not grace our lives, let honor be our fate.
Our paths may ne'er more cross and clouds the sun may hide.
But Joseph City High School will always be our guide.

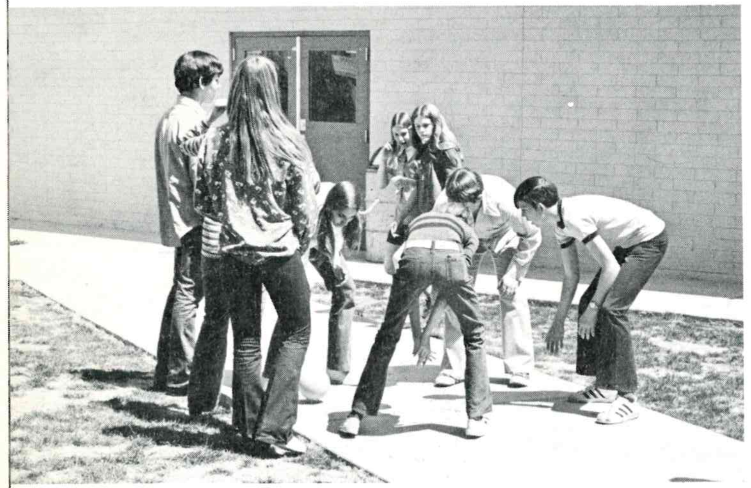
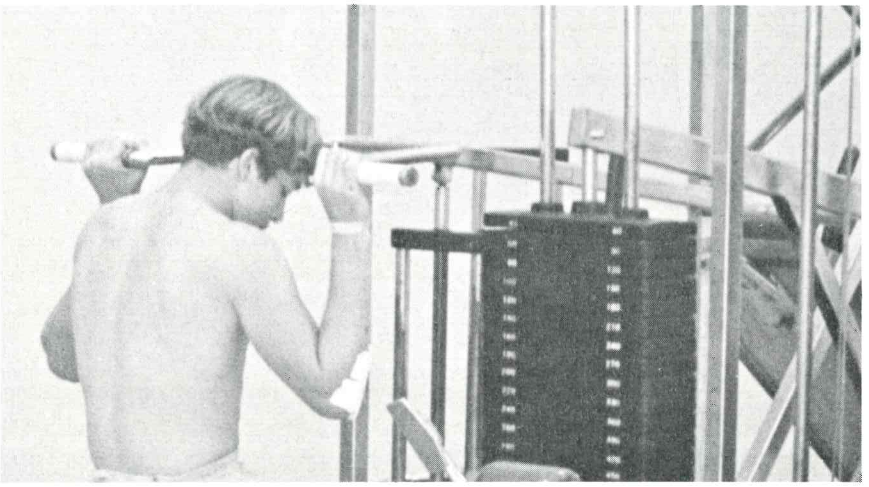
The Year Is Over-



People everywhere in life
from every walk and station,
From every town and city
and every state and nation
Have given me so many things
intangible and dear,
I only know I owe so much
to people everywhere.

But its Memories



And when I put my thoughts in verse
it's just a way to share
The musing of a thankful heart,
a heart much like your own,
For nothing that I think or write
is mine and mine alone . . .
So if you found some beauty
in any word or line,
It's just "Your Soul's Reflexion"
in "Proximity with Mine."
Helen Steiner Rice

Will Live On . . .

The school year once again has slipped by, but the progress each student has made won't go unnoticed. I hope that this book has captured some of the memories of each one who has gone to school at Joseph City this past year. The seniors of "73" have spent their last days in the "ole classrooms of J.C.H.S.," but there will be many more graduates, who step out the doors of Joseph City High School in years to come.

Special thanks to each one who helped to put these pages together. Starting with seven staff members, out of which six had had, no previous experience with the annual, I really was delighted with the fine job each one did! We also received help from John Wolfe, Monroe Shelley and Larry Westover, who helped with the cover and artwork. Mr. Biggs certainly fits the saying "He's one in a million!!" With his help, PATIENTS and encouragement I don't know how I would have managed. This was Mr. Biggs' first year as annual advisor and he did an excellent job in all respects.

"GOOD LUCK TO THE GRADUATED SENIORS AND NEXT YEAR'S STUDENTS!!"

Sincerely,

Nancy Johnson

Suffer the little children to come unto me, and forbid them not: for of such is the kingdom of God.

Verily I say unto you, whosoever shall not receive the kingdom of God as a little child, he shall not enter therein.

And He took them up in His arms, put His hands upon them, and blessed them.
